

Thank you for your interest in Kaleidoscope Pediatric Therapy's Social Groups. We are excited to offer this valuable service and have witnessed many positive changes in our kiddos who have had the opportunity to participate.

We are currently gathering names of children who would benefit or are interested in participating in Social Groups. Due to limited spaces, we may not be able to accommodate everyone. Because of this **we enforce a strict attendance policy**. If scheduling times do not match your current availability, your child's name will be placed at the top of the list for upcoming groups.

Please provide the following information about your child so we can begin to identify the best way to meet your child's social needs:

Name of child: _____ DOB: _____

KPT clinician: _____

Other therapies the child is participating in: _____

Any known diagnoses: _____

What are parent's/caregiver's specific concerns concerning the child's social functioning?

How would parents/caregivers describe their child's social interaction with peers?

For the best progress, it is best for children to be placed with other children at similar ages and skill levels. We will try to accommodate preferences when possible. Please circle **ALL** the times that work for you and your child:

Thursdays 5-6 PM

Fridays 4-5 PM
